

Dear PHILLIPS Supporters,

Coming on April 23, 2022 at Hilton McLean Tysons Corner, PHILLIPS Programs is excited to once again host our annual gala – Imagining Tomorrow’s World, a celebration of the successes of our youth and their families; the perseverance of our hardworking staff and volunteers throughout this long pandemic; and Imagining the Future for PHILLIPS, its youth, young adults and its families.

We would be honored to have your support of at this event, and invite you to partner with us as a sponsor and be recognized as an advocate for children, adults, and families experiencing behavioral and emotional health challenges.

As we slowly emerge from a pandemic, and face a new reality of daily living, our youth and staff continue to thrive because of your unwavering support and optimism for our programs. This year has been about proving to ourselves, our supporters, and our community that no matter the challenge, PHILLIPS will adapt to seamlessly meet the needs – both immediate and future –of our youth and their families, and we continue to do just that.

Moving in to 2022, we have even more in store to impact the future of our organization and our community. We are working to address access to meaningful employment, sustainable urban agricultural practices, community food insecurity, supportive family structures, and quality education for all. We will share with you our tomorrow, where individuals who encounter barriers to employment are working as owners at employment social enterprises developed by PHILLIPS and SpringForward.

Attached for your review is a listing of our available sponsorships and their associated benefits. I would be more than happy to discuss this opportunity in more detail with you. I can be reached directly at Piper.Phillips@phillipsprograms.org.

We look forward to Imagining Tomorrow’s World together, with you.

YOU DIDN'T GIVE UP ON ME...

Those words from one of our former students sum up the PHILLIPS Programs philosophy. When others give up, we find a way for youth to overcome obstacles and reach their potential. Since 1967, we have served youth with behavioral health needs and developmental disabilities, and their families, in the (Washington/Baltimore) area. We meet children where they are, recognizing what makes each one unique and important. The solutions we offer are personalized. We partner with parents, school systems, social service agencies and the community, tailoring services to meet a child's specific needs.
